Year 6 Leavers Service and Celebrations	Thursday 22 <sup>nd</sup> July
End of Term	Friday 23 <sup>rd</sup> July - 2pm Finish

### **Improving Communication**

At St Peter's we are continuously looking at ways to improve communication. Our newsletter provides up-to-date information for the whole school on a weekly basis and our Facebook page also celebrates the learning that has happened within school. We are also pleased to launch our new look **stpeters\_primaryschool** Instagram account, which also links to our website. Although private channels on the TEAMS pages can be used to communicate with , our main line of communication is via the admin email address or by calling the office.

### **World Mental Health Week**

Next week the children will be learning the importance of being kind and looking out for each other and how to become "Wellbeing Ambassadors". If you require additional information for service that work closely with St Peter's such as JustBe and Compass Buzz, please get in touch with either myself or Mrs Jones. Please also find attached a list of useful apps and services from Compass Buzz that support wellbeing.

### **Food Boxes**

We have been provided with several Food Boxes of dried and tinned goods. If you would like to collect one for either yourself or another family within school, please contact the office.

## Science Week

'Innovations for the Future' is the theme for this year's science week, which starts on Monday 17<sup>th</sup> May. We have some great ideas and activities to investigate during the afternoons and we would really appreciate your help with our preparations. We will be looking at inventions and exploring experiments which will require junk modelling. Therefore, we would ask that you could gather any: newspaper, cardboard, plastic bottles, glass jars, toilet roll ends.

If your occupation involves science, technology, engineering or maths, we would really like you to spend time talking with your children about your profession. It would be great for them to then be able to come in and share your experiences with their classes.

We will also be holding a St. Peter's competition and we ask that you look into the future and design what a classroom may look like. You can present this as a picture, a 3D model, whatever you like! Please submit your entries by Wednesday 26<sup>th</sup> of May.

## Special Mentions

Well done to everyone this week and congratulations to those children, who have received a Special Mention certificate this week. Children have been celebrated for being fabulous role models, sharing their knowledge and passion for different subjects as well as Shining and Sharing their light.

Infant	Lower Key Stage 2	Upper Key Stage 2
Hayley, Elliott Tom, George Oliver, Ava	Gustavo, David Oliver, Melody Rose, Evie Diamond Times Table Award; Miki, Seb, Jan	Finn, Lily Leo, Mia-Grace Gabriella, Isaiah

## Staff news

Miss Emsley has announced that she is expecting her first baby in the Autumn term, which is wonderful news!

Kind Regards,

Helena Fishburn  
Acting Headteacher
