Safeguarding and Welfare will always be our very highest priority in helping us achieve our vision of [Love Learn Shine](#). We will use this section of the newsletter each week to keep families up to date with a range of key safeguarding and welfare information.

Natter Hub

'NatterHub' was launched in 2020, the platform is produced in partnership with the Internet Watch Foundation.

The Small Fish Podcast - Salvation Army

After years of attending the same school and forging close relationships with staff and peers, the familiarity stops and the transition to secondary school awaits. For some this may cause them some worries throughout the summer holidays. The Salvation Army has once again released its Small Fish Podcast, where they seek to allay the fears of children going into this next developmental stage. The podcast had 2,000 downloads last year, and the feedback from educational professionals and parents has been positive.

Whole School

Sports Day

Earlier in the week on Tuesday the whole school enjoyed a glorious sunshine filled sports day on the Stray. Children took part in nine different activities testing their running, jumping and throwing skills that they have been working on in PE over the course of the summer term. Despite the warm weather children gave 100% effort in all the events and very much enjoyed being cheered on by their class friends and family members. Thank you to everyone who came to help and support. Well done to Bo, Xander and Lucas who all won the Craven Cup for their commitment to PE and school sport throughout their time at St Peter's. Thank you to Miss Hewson and Mr Crooks for all their efforts planning and setting up sports day this year.

For more pictures have a look in the [News Section](#) of our website.

Volunteer Day

We would like to say a big thank you to local business [idh](#) who sent some of their wonderful team into school on Monday to volunteer for the day. Thank you also to other volunteers who also came in and gave up their time to help with sorting and organising resources in our new resources room. Their help was very much appreciated and has helped to make resources much easier to access for the team. Thank you so much for giving up your time to support us.

The parent portal to order the yearbooks is open. It's only open till Sunday (30th June). **PLEASE ORDER ASAP.** The books are £7.50 with the rest of the cost being covered by FOSP. They will be delivered to school on the Monday 15th July 2024.

Curriculum & Extra-Curricular Spotlight

East Barnby Residential

Children from Year 6 have enjoyed three magical days at the coast this week at East Barnby Outdoor Centre.

They enjoyed a whole host of activities including body boarding, beach crafts and canoeing. They had a super time enjoying learning in the outdoors with their friends making memories that we hope will last for a long time.

Thank you to the staff team who give up time in advance and over the course of the residential to make these experiences possible.

More pictures to follow next week and also on the news section of the website.

Iman Visit

Children from Key Stage One were delighted to welcome Iman Hasan Muhammad from Harrogate Islamic Association into school this week as part of their RE learning about Islam. Hassan talked to the children about his faith, his work in the community and his friendship with Dr Garrow from St Peter's Church. The children asked some very thoughtful and considered questions. Hassan talked to the children about the Qur'an and how Muslims study this special book. He generously donated a copy to school which we will place in our new library.

Summer Fare Fun

A big thank you to everyone who helped to organise, run and attend the summer fare on Saturday. It was lovely to see so many families enjoying all the activities in the sunshine having a lovely time and raising funds for school. There was plenty for everyone to do including trampolines, face painting, arts and crafts and lots of games and stalls for everyone to enjoy. Our wonderful choir helped keep everyone entertained as well with a lovely performance. Thank you to the FOSP team and all the volunteers who helped make the event run so smoothly.

Tewit Youth Band!**

JOIN OUR BAND!

Tewit Youth Band is the Youth Brass Band for the Harrogate & District area and we're on the look out for new players between the ages of 7 and 18. We welcome absolute beginners as well as more experienced brass and percussion players.

MUSICAL JOURNEY

Beginners will start in our Training Band, sometimes with almost no experience at all. More advanced players may jump straight into our Junior, Intermediate or Senior Bands depending on their ability. Wherever they begin, with help from our highly talented and experienced Musical Directors, we hope to inspire players to start or continue their musical journey. This may be going on to study music after leaving school or simply discovering the joy of playing music with others.

NEW EXPERIENCES

Players develop their confidence performing as a group - perhaps even having a solo part - at a wide range of events including local festivals and fêtes, town parades and concerts as well as regional and national competitions. Regular band practice and participation in these events help our band members to flourish, both within our band and in other settings.

COMMUNITY

As part of the Tewit Youth Band family, our members have the opportunity to meet, play music and socialise with other young people who share their interest in music. This might be during weekly practice or at one of our social events like our annual trip to an outdoor adventure centre for our younger players - encouraging teamwork and friendship - or at our summer BBQ for all our band members and their families. Our highly acclaimed Senior Band goes on tour overseas every two years and had a very successful trip to Italy in 2022. Lifelong friendships are made.

NEED TO KNOW

We meet on Wednesday evenings during school term time at our own fantastic band room facilities at the Old Methodist Chapel in Huby, five miles to the south-west of Harrogate. We provide the uniform and you don't need your own instrument as we have a good selection of brass instruments for you to borrow.

FIND OUT MORE

We hold an Open Day every year and perform regularly in the local area. Look out for details on our website and Facebook page. We also welcome enquiries via our website or by email at band@tyb.org.uk.
