**LOVE LEARN SHINE**

*Shine in the light and love of God*

Friday 7 June 2024

Dear Parents and Carers,

I am pleased to write with this week's newsletter. This letter and previous versions can be found in the [letters section](#) of our website.

## Safeguarding, Welfare & Wellbeing

Safeguarding and Welfare will always be our very highest priority in helping us achieve our vision of [Love Learn Shine](#). We will use this section of the newsletter each week to keep families up to date with a range of key safeguarding and welfare information.

### Online Safety Newsletter

We are pleased to have published our monthly dedicated online safety newsletter on our website this week. As usual it is packed full of handy hints and tips for families to help them support their children with technology and their online activities.

The newsletter can be accessed via our dedicated online safety website page [here](#).

We hope you find it helpful.

### Fire and Lock Drills

As part of our routine health and safety rehearsals and drills next week we will conduct a fire drill and a lock down drill. The lock down drill is simply the children rehearsing having to come in immediately from an outside activity, in the event of an issue such as sudden air pollution. The children will be briefed in advance of these drills. We know they will approach them with their usual sensible and mature attitudes. If you have any queries with regard to this, please do email [admin@stpeters.ycst.co.uk](mailto:admin@stpeters.ycst.co.uk) or call 01423 569684.

## Whole School

### Morning Line Up Routine

Thank you to all those who have helped the children remember the minor adjustments to the lining up spaces on the back playground for the start of each day. Please see the diagram opposite for more information. We will continue with this for the remainder of the year.

Children in Wrens and Kingfishers will continue to enter through their usual door and children in Eagles, Ravens and Herons will continue to line up on the front playground. Children should be in their lines promptly for 8.45am.

### Volunteer Day

We are grateful to one local business who has allowed some of their staff to volunteer in school for a day this half term. They will be coming into school on Monday 24 June 2024 and working with Mrs Bolton to help organise our new resources room. If any other parents or family members can spare an hour or so on this day, anytime between 8.30 and 3.00 we would be most grateful of your support. If you are able to help out at any point on this day please can you let the office know in advance by emailing your name and the times you are free to help to [admin@stpeters.ycst.co.uk](mailto:admin@stpeters.ycst.co.uk) or by calling 01423 569684.

### Open Classrooms

**Monday 10 June 3.15 – 4.00 and  
Thursday 13 June 4.00 – 4.45pm**

Open classrooms are a chance to informal visit your child's classroom to see their work from the year and have an informal chat with their child's class teacher in the final half term of the school year. No appointments are necessary, and everyone is welcome to visit at any point during the times given.

### School Meals

From September we will be using Aspens online payment system for ordering, paying and pre-booking school lunches.

More information about their Select service and how to register will be sent out to all parents by the end of June to ensure everyone has access for September.

If you have any questions, please do not hesitate to contact the office.

## Curriculum & Extra-Curricular Spotlight

Information for parents and carers

Your child's reading journey  
**Year 1 Phonics Screening Check**

We are pleased to have shared dedicated information for families with regard to the upcoming phonics screening check for all children in Year One. This information can be accessed on the [Phonics & Reading](#) section of our website.

### D-Day Commemorations

Children in Upper Key Stage Two spent some of Thursday looking at some of the BBC resources commemorating the 80<sup>th</sup> Anniversary of D-Day. They thought back to some of their prior learning around World War Two and reflected on the importance of remembering significant events from the past such as D-Day.

There are some excellent BBC teaching resources on this topic which families may enjoy exploring with their children. They can be accessed [here](#).

### Author Visit Year 5&6

We were delighted to welcome a well-known author Vashti Hardy to St Peter's this Thursday to spend time with all the children in year 5&6, talking about her work and conducting a writing workshop with them. She really inspired the children with her story and answered several of the thoughtful questions the children had prepared in their homework. She also stayed back after school to sign copies of her most recent book. We have several signed copies still available for purchase directly from us. If you would like to buy one, please pop and see the team in the office.

### Collective Worship

As we begin a new half term we have started to think about a new theme. This half term we will be exploring the idea and concepts of Respect and Reverence. This week we began to look at the definition of these two important values and considered how we could show respect for our school environment through our actions such as keep our school tidy and looking after the resources we have.

## FOSP News
