

NEWSLETTER FRIDAY 17 OCTOBER 2025

Dear Parents and Carers,

I am pleased to write with this week's newsletter. This is the final newsletter of this half term as next Friday, 24 October, is an INSET day with school closed to children. We will keep families updated with any news from the week via the [News Section](#) of our website. Thank you for making the time to read this information each week as it is a key part of our communication with you. This letter and previous versions can be found in the letters section of our website. As well as our weekly newsletter there is also plenty of school news shared throughout the week in the [News Section](#) of our website.

Safeguarding, Welfare & Wellbeing

Safeguarding and Welfare will always be our very highest priority in helping us achieve our vision of [Love Learn Shine](#). We will use this section of the newsletter each week to keep families up to date with a range of key safeguarding and welfare information.

WARN AND INFORM: Sickness in school

If you have not yet had the chance to do so, please read health warn and inform letter sent yesterday regarding the high number of cases of sickness amongst staff and children in school this week. We thank you in advance for your attention to this important information.

The letter can be accessed [here](#) and the NHS advice [here](#).

Diarrhoea and vomiting? 

There's no specific cure for stomach bugs such as Norovirus
Treat children at home with an #EssentialKit while the virus runs its course

			
stay hydrated	take paracetamol	prevent spread	stay at home for two days after symptoms clear

Seasonal Flu Vaccine

Later in the term, on Monday 17 November, families will have the option for their children to receive a season flu immunisation. Please look out for letters from the NHS team with regard to consenting to this if you wish your child to access this.

Protecting your child against flu

Flu immunisation in England

1 - Access the full parent guide [here](#).

In the past some families have requested authorised absence due to concerns regarding the perceived risk of viral shedding of the vaccine to those choosing not to receive the vaccine. Having considered [Public Health England \(PHE\) advice](#) we are pleased to confirm that this does not represent a risk other than in very specific circumstances. All children are expected to attend and school will not authorise absence in this situation unless meeting specific criteria.

Shedding the virus and unvaccinated contacts - Summary of PHE Advice

Unvaccinated contacts are not at risk of catching flu from the vaccine, either through being in the same room where flu vaccine has been given or by being in contact with a recently vaccinated individual. Although vaccinated children are known to shed virus for a few days after vaccination, it is less able to spread from person-to-person than the natural infection. The amount of virus shed is normally below the levels needed to pass on infection to others and the virus does not survive for long outside of the body. This is in contrast to natural flu infection, which spreads easily during the flu season.

Excluding children from school during the period when the vaccine is being offered, or in the following weeks, is not necessary. The only exception to this would be the tiny number of children who are extremely immunocompromised (for example those who have just had a bone marrow transplant). These children are normally advised not to attend school anyway

because of the much higher risk of being in contact with other infections, including natural flu infection that spread in schools.

In Person Online Safety Workshops - Save the Date

We are frequently asked for advice regarding supporting families with online safety. In addition to the dedicated section of our website as well as our dedicated monthly newsletter we are pleased to have arranged two in person parent sessions led by our trust Safeguarding Lead Keri Standen. Keri is a mother of two children as well as being an accredited CEOP internet safety trainer. She has a wealth of expertise in this area both professional and as a parent. She will deliver the same session at 2.30pm – 3.15pm and 5.00pm – 5.45pm on Thursday 6 November when hopefully many families are visiting for our open classrooms event. The content of these sessions is directed and targeted for parents and it is requested that parents are not accompanied by children.

Internet Safety

Awards

This weeks SHINE AWARD winners are.....

Early Years and Key Stage One

Wrens – Rocco & Julietta

Kingfishers – Samuel & Ted

Sparrows – Seb & Phoebe

Year 3/4

Owls – Matvii & Jonathan

Starlings – Felix HM & Jamie

Year 5/6

Hérons – Grace & Ralphie

Ravens – Will & Quinn

Eagles – Lola & Florence

2 - Golden Light Switch Award

The Golden Light Switch award is presented each week to the class who have earned the most eco points throughout the week. Points can be earned every day by switching off the lights and smartboard when classrooms are not in use. The winning class will keep the trophy in their classroom for the whole week.

And the winners this week are.....

EY & KS1 - Kingfishers

KS2 - Eagles

Sharing Our Shine

Share Your Shine with Us

Last weekend, Reggie was awarded Player of the Match for an outstanding performance in Ripon Rugby Club's fixture against Malton. Now in his third season with the club, and first season of contact rugby, Reggie showed incredible skill, determination, and sportsmanship on the pitch.

In a true display of rugby spirit, Reggie even volunteered to play for the opposition when Malton couldn't field a full second team, ensuring the game could go ahead and everyone got a chance to play. That kind of generosity and love for the game is what makes sport so special.

Well done Reggie on your great sportsmanship, we are all very proud of you.

If you would like to share some news for this section, please email it to admin@stpeters.ycst.co.uk

Diary Dates - All diary dates are now on the Arbor Parent Portal

The term dates for 2025-2026 are published on our website and can be accessed [here](#). Please check when planning any holidays or appointments.

- **Tuesday 13 and Thursday 15 January** - Parent Consultation - Appointments for parents of children booked via Arbor - 3.45 – 8.15pm

General News

Families with Children in Year 6 - Secondary School Applications

If you haven't yet submitted an application for your child's secondary school place for September 2026, please remember to do so by **31 October 2025**.

Applications can be made online at: [Starting secondary school | North Yorkshire Council](#)

Thank you for your attention to this important deadline.

Walk to School Days

We were delighted to host our first walking bus of the year from West Park stry this morning to support and celebrate the first of six walk to school days this year. It was lovely to see so many children and families, and even some four legged friends joining us to start the day with a walk. Extra shoutout to Bear for adding some extra tail-wagging charm to the event!

Walking is a great way to start the day providing both physical health benefits like increased exercise and mental health benefits, such as improved mood and concentration, and social advantages like time with friends and community connection. It also offers environmental benefits, including reduced traffic congestion and air pollution. We hope to welcome even more families in our future walking bus events on the dates below:

Further Walk to School Days:

- Fri 28 Nov 2025
- Fri 6 Feb 2026 (Also Green Jumper Day 2026)
- Fri 13 Mar 2026
- Fri 8 May 2026
- Fri 19 Jun 2026

Year Six Play Squad Spotlight

We would like to say a big well done and thank you to our new play squad members from Ravens and Eagles, who have begun their play squad support over playtimes and lunchtimes this half term. All our play squad volunteer to use some of their lunchtime to help with different roles across the main and Early Years playgrounds, as well as our dedicated lunchtime nurture space, 'The Nest'. They help run games and activities, look after the younger children as well as care for and organise our playtime equipment. They do a fantastic job and make a big contribution to making playtimes and lunchtimes an enjoyable experience.

Wraparound Care Receives Permanent Home with Newly Designed Hub

We are proud to be celebrating the creation of a newly designed, dedicated space for our wraparound care provision – giving our wonderful before and after school provision a permanent home within our school building.

Previously hosted across shared school facilities, Funclub now operates from a purposefully designed hub that offers a warm, welcoming environment for children to relax, play and continue learning outside of classroom hours. It runs 50 weeks a year, supporting busy families with flexible, high-quality care.

We understand the pressures working families face. Our wraparound care isn't just convenient – it's an extension of our nurturing environment, where children continue to

shine beyond the classroom. There are fantastic staff that work both in school and at Fun Club, ensuring pupils feel secure and happy while they are there.

Fun Club was praised by Ofsted (October 2024) for its inclusive atmosphere and strong relationships between staff and children. Whether families need an early start or a late pickup, they can rely on a setting where children feel safe, engaged and happy.

School Kitchen Update

We are delighted to update families that our school kitchen will reopen on Monday next week, two weeks ahead of schedule. Following emergency structural repairs to the floor, as outlined in my previous communications from Monday, our wonderful school meals will return to be freshly prepared in our kitchen.

We would like to thank parents for their kind words of support and offers of help over the last few weeks with this situation. These messages exemplify the kindness and thoughtfulness of our community. Thank you also to [Beardmore Construction](#) who have worked incredibly long days seven days a week to complete these works as quickly as possible and to the highest standard.

A final huge thank you to Aspens and in particular our amazing kitchen staff who have been cooking off site and bringing hot meals to school throughout the kitchen closure period.

Curriculum & Extra-Curricular Spotlight

Virtual Reality Bringing Curriculum to Life for Key Stage Two Children

We were delighted to welcome former Headteacher and now educational Virtual Reality (VR) expert Justin Peoples into school at the end of last week to lead a series of workshops for children in Key Stage Two.

Justin wrote bespoke workshops for children in Starlings, Herons, Ravens and Eagles based around two key Geography objectives of:

- Understand and explain the difference between climate zones and biomes (Biomes)
- Understand how plants and animals have adapted to live in different biomes (Adaptation)

Through the power of VR the children were transported to fascinating and awe-inspiring destinations exploring different climates and learning how plants and animals have adapted to different climates.

While the children embarked on their virtual adventures, teachers gained valuable professional development opportunities, discovering innovative ways to incorporate immersive technology and oracy strategies into lessons.

We really enjoyed welcoming Justin to school and from his comments below he clearly loved working with our wonderful team of staff and children.

‘Thank you for everything today. You really made me feel at home. ‘

'The sessions went just as planned because the staff were so supportive and helpful. I really did have a brilliant day. I was so impressed with the pupils' manners and how engaged and appreciative they were. I felt quite honoured!'

Justin Peoples

You can learn more about the experience and hear directly from Justin via the link [here](#).

Key Stage Two Girls Share their Sporting Shine

We were delighted to take a team of Key Stage Two girls to represent St Peter's at the Sporting Influence competition series this week. Led superbly by our two year 6 members the team played superbly well showing great communication and team work skills. They played three matches in all narrowly losing their first two games but showing great determination to keep working hard which resulted in a 3 – 0 win in the final game.

A huge well done to all the girls for representing St Peter's so well and a special mention to Violet R for receiving the Sporting Influence wrist band for determination. Thank you to

parents for their support with transport and Mrs Oldfield for her supervision and support for the team during their matches.

Pet Plants Arrive in Classes

Last week our Key Stage Two Climate Crew had their first meeting where they planted and delivered a spider 'pet' plant for every class in school. There are many benefits to having plants in the classroom including: fresher air, improved wellbeing, connecting children to the environment, use as a lesson subject and they encourage responsibility. The spider plants will eventually sprout baby plants which the children may find exciting and are welcome to take home and have their very own pet plant! The classes will collectively be responsible for looking after their pet plant and nurturing it. We believe they all have names too!

Mrs Williams and the Climate Crew

FRIENDS OF ST PETER'S (FOSP)

Community News

Founded in February 2024 after one WhatsApp group went viral, [Smartphone Free Childhood](#) is now a community of over 350,000 parents working together to stand up for healthier, happier childhoods.

We've made it our mission to provide solidarity, support and solutions to parents who are struggling with what's become one of the defining parenting challenges of our time.

And we're using the voice of our community to push for more support from the government in the battle to reclaim childhood from Big Tech's addictive algorithms.
