*Love Learn Shine*

Friday 9 January 2026

Dear Parents/Carers,

We are delighted to welcome you back to the new term and share some key reminders for the term ahead as we work together for the benefit of all progress enabling everyone to shine in Wrens class.

### **Learning for the Term**

An overview of our learning for the term will be shared via our class curriculum overview which can be accessed via our class page on the school website. Also please do keep an eye out each week on the [news section](#) of our website where we share regular updates about our learning including ideas of how learning can be further developed and reinforced.

### **Homework, Reading at Home and Reading Records**

Homework and home learning form an important part of the overall approach to supporting children's learning. Our homework arrangements for this term are weekly phonics sheets to help children practise their knowledge of the sounds and tricky words taught that week.

Reading to an adult as frequently as possible is known to have a significant positive impact on children's progress. Even when children are fluent and confident readers, listening to them read all the way to the end of Year 6 will still have a positive impact. Please do make a note, and where your child is able, encourage them to note down their reading in their record.

### **Physical Education PE / Swimming.**

Our PE days this half term are Tuesday and Friday.

Please ensure your child is wearing the correct kit on these days. Thank you.
