Love Learn Shine

Friday 9 January 2026

Dear Parents/Carers,

We are delighted to welcome you back to the new term and share some key reminders for the term ahead as we work together for the benefit of all progress enabling everyone to shine in Starlings class.

Learning for the Term

An overview of our learning for the term will be shared via our class curriculum overview which can be accessed via our class page on the school website. Also please do keep an eye out each week on the [news section](#) of our website where we share regular updates about our learning including ideas of how learning can be further developed and reinforced.

Homework, Reading at Home and Reading Records

Homework and home learning form an important part of the overall approach to supporting children's learning. Our homework arrangements for this term are:

Schofield & Sims maths workbook – 1 page per week

Weekly Spellings – 10 spellings per week that will be sent home on paper in the children's spelling books, as well as being available on Spelling Shed.

Reading to an adult as frequently as possible is known to have a significant positive impact on children's progress. Even when children are fluent and confident readers, listening to them read all the way to the end of Year 6 will still have a positive impact. Please do make a note, and where your child is able, encourage them to note down their reading in their record.

Occasionally this term, there will be reading comprehension activities to help us complete the longer chapter books we are reading in English. These will be sent home on a Friday to be completed by Monday.

Online Learning and Learning Apps

Your child has access to Times Tables Rockstars and Spelling Shed. It is incredibly beneficial for them to access these regularly (3-4 times per week). Your child may also have access to other online learning platforms such as IDL and Numbots. Where children do have access to these, it would be helpful for them to access these regularly. If you need a reminder of their login details, please email admin@stpeters.ycst.co.uk.

Physical Education PE / Swimming

Our swimming day this half term is Wednesday, and our PE day is Friday.

Please ensure your child is wearing the correct kit on these days. Thank you.
