NEWSLETTER FRIDAY 30 JANUARY 2026

Dear Parents and Carers,

I am pleased to write with this week's newsletter. This letter and previous versions can be found in the [letters section](#) of our website. Thank you for making the time to read this information each week as it is a key part of our communication with you. This letter and previous versions can be found in the [letters section](#) of our website.

Your Insight into Life at St Peter's Each Week

As we move into the fourth week of the spring term, there has been plenty happening across school. Our worship theme has focused on courage, and children have also been marking Holocaust Memorial Day with thoughtful reflection and discussion. Staff have continued developing our oracy strategies, using stem sentences to help children structure their talk and strengthen their writing.

It has been a week rich in experiences too: Year 6 enjoyed seeing St John Fisher's perform The Addams Family at Harrogate Theatre, Kingfishers visited the library, and Owls explored gratitude during their My Happy Mind session. We also saw more sporting action on Wednesday evening at Harrogate High and much more. Take a moment to browse the News Section to see photos and stories from another vibrant week at St Peter's. Safeguarding, Welfare & Wellbeing

Safeguarding and Welfare will always be our very highest priority in helping us achieve our vision of [Love Learn Shine](#). We will use this section of the newsletter each week to keep families up to date with a range of key safeguarding and welfare information.

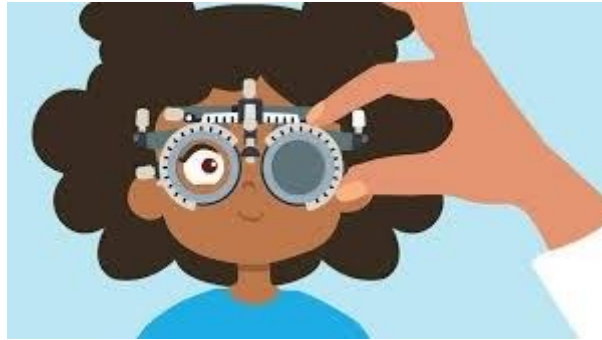

Routine Eye Tests

Routine eye tests are an important way to check not only children's vision but also the overall health of their eyes and wider wellbeing. Children do not need to be able to read for an optician to carry out a full assessment—there are lots of simple, child-friendly ways to test how well their eyes are working. Eye tests for children are free, quick and completely painless. Most high-street opticians offer NHS-funded appointments for children, and families can book at a time that suits them. If you are unsure whether your child needs a test, or simply want more information, you can ask at any opticians for advice. Early checks make a big difference, so do take advantage of this free support.

Family Wellbeing

We know how important it is for families to feel supported as children grow, change and face new challenges. In Our Place is fully funded in our area, giving families completely free access to high-quality online courses about childhood development, wellbeing, brain changes and relationships. The resources are created by experts and designed to help families better understand what children need in order to thrive.

This month, there are some excellent modules exploring emotional regulation, positive routines and how children's brains develop at different ages. There are also helpful guides for supporting children through worries or behavioural changes. We hope families find these reassuring, practical and easy to dip into. You can access everything directly through the [In Our Place website](#) whenever you need it.

General News & Key Messages

Parking

We want to make family routines as simple as possible, and it's lovely to see so many children walking and cycling to school. We know this isn't always possible, so we continue to offer parking permits for anyone collecting children from St Peter's. These can be collected from the school office and are intended to support families during busy drop-off and pick-up times.

To keep everyone safe and to maintain positive relationships with our neighbours, please remember that permits only allow short-term use of nearby pay-and-display bays. They do not allow parking on double yellow lines or blocking driveways or access to any properties, including Radfield Home Care. Please park legally, safely and considerately so this helpful scheme can continue for all families.

Please see the full letter sent earlier in the week regarding this item which can be accessed in the letters section of the website [here](#).

Share Your Views

Thank you to everyone who completed our recent survey on end-of-term reports and parent consultations. We received 28 responses in total, and your input is greatly appreciated. Gathering views from both parents and staff has been extremely helpful in understanding what is working well and where we can strengthen communication around children's learning and progress. Leaders, including governors, will now review all of the feedback carefully. In the coming weeks we will share a summary of the findings with parents, along with any adjustments or improvements we plan to make for the next cycle of reports and consultations. Thank you once again for working with us and supporting this important part of our partnership.

Friends of St Peter's (FOSP) Update

A huge thank you to everyone who attended the Friends of St Peter's meeting last week. We really appreciate the support and the brilliant ideas shared. School and the FOSP team would also like to say an extra big thank you to all families who contributed directly to the pantomime tickets. Your generosity raised an additional £1,400, helping FOSP funds go even further for our children.

There are lots of exciting events coming up this half-term, including a quiz night with a fish-and-chip supper, cake stalls, the Early Years and KS1 egg hunt, and the whole-school decorated egg and bonnet competition. We will also have our sponsored bounce. Please check the calendar dates for full details and how to join in.

Book Fair

The Book Fair will be back in school next week! **World Book Day vouchers** will be handed out to the children on Tuesday in school and can be used against any book they would like to purchase, or brought home to be used at any book store. The Book Fair will be held in The Lower Hall after school on Tuesday and Wednesday next week and during the school day on Wednesday. Only cash can be used during the day, but both card and cash can be used after school. Please send your child into school with cash on Wednesday if you would like them to be able to buy a book.

A colorful poster for a Book Fair. At the top, it says 'Book Fair' in a large, purple, serif font. Below that, it lists the dates: 'Tuesday 3rd Feb' and 'Wednesday 4th Feb'. A dark blue rounded rectangle contains the text 'Lower hall 3.15 - 3.45pm'. The background features stacks of books on the left and right, and an open book at the bottom center. The bottom of the poster has a dark blue background with white text.

Join the RSPB Big Garden Birdwatch 2026!

Let's make nature count together!

This January, we're inviting all our families to take part in the RSPB Big Garden Birdwatch—the UK's biggest wildlife survey. It's a fantastic way to connect with nature, help protect our birds, and enjoy quality time outdoors.

Why take part?

- It's simple and fun: just spend one hour counting the birds you see in your garden, balcony, or local park.
- Your observations help the RSPB track how our feathered friends are doing and protect them for the future.
- Children love spotting and identifying different species—it's a great learning opportunity!

How to join:

1. Sign up at rspb.org.uk/birdwatch for your free guide.

Choose your hour and start counting!
Submit your results online—it's quick and easy.

Let's see how many robins, blue tits, and blackbirds we can spot!

Share your photos and stories with us—we'd love to feature them in our next newsletter.

Together, we can make a difference for wildlife.
Will you take the challenge?

Supported using public funding by

ARTS COUNCIL
ENGLAND

We teach in 91% of secondary schools and
95% of primary schools in North Yorkshire

The County Music Service provides tuition in a wide variety of instruments:

Brass: cornet, trumpet, trombone, horn, euphonium, tuba; **Woodwind:** clarinet, flute, oboe, saxophone, bassoon; **Strings:** violin, viola, cello, double bass; **Guitars:** classical, acoustic, electric; **Percussion:** tuned percussion and kit; **Voice** and **Keyboard/piano**

Up to **32 lessons per year** are offered to pupils in small group or individual lessons. These take place mostly during the school day and are available to pupils attending schools throughout North Yorkshire. Lessons are sometimes available beyond the end of the school day or on Saturdays at music centres.

Rotating Timetables allow for minimal disruption to the school day. **Regular contact** through **Practice Diaries** and **Termly Reports** ensure that parents are in contact with the Teacher and can support their child's practice at home.

Instruments are available to hire or can be bought using our assisted purchase scheme – see website for more details.

We also run six Saturday morning music centres across North Yorkshire.
