Your Insight into Life at St Peter's Each Week

It has been a wonderfully busy final week of the half term, filled with music, celebration and community across St Peter's. Our Junior Choir shone on the arena stage at Young Voices, while children across the Trust joined together in joyful song for the very first Big Little Sing. Makaton Club brought smiles with their signed performance of Old MacDonald, and we started planning for our World Book Day Swap Shop to return, supporting families and our commitment to sustainability. Alongside this, children explored online safety, celebrated Children's Mental Health Week, spread kindness, and enjoyed enriching learning from library visits to creative classroom adventures.

Do take a moment to explore the [News Section](#) to enjoy the full stories and photos from this uplifting week. We hope everyone has a relaxing half term break and we look forward to welcoming everyone back to school at 8.45 am on Monday 23 February 2026.

Follow us on [Instagram](#) also.

Safeguarding, Welfare & Wellbeing

Safeguarding and Welfare will always be our very highest priority in helping us achieve our vision of [Love Learn Shine](#). We will use this section of the newsletter each week to keep families up to date with a range of key safeguarding and welfare information.

Attendance and Punctuality

We would like to remind families about the importance of punctuality so that all children have the very best start to their day. Children should arrive on site just after 8:40am, ready to line up and enter with their class at 8:45am. Early Years children should go straight to their classroom at this time.

Any arrival after 8:45am means that your child is arriving late. You may have noticed that we keep a list of children entering via the main entrance; this helps us ensure registers are accurate and allows us to offer support where it is needed.

Arriving on time means children enter calmly with their class, feel settled for learning, and do not miss any important part of the school day. Every minute truly matters.

Attendance Matters

☆ Sharing Our Shine ☆

Share Your Shine with Us

We love celebrating the amazing things our children and families achieve outside of school! This is your chance to share successes, achievements and endeavours that make you proud. This section is dedicated to showcasing these wonderful stories and inspiring others. If you would like to feature here, please email us at admin@stpeters.ycst.co.uk with a short description and any photos you'd like to include. Let's celebrate the fantastic things happening beyond the classroom together!

2 - Robot Inspiration

Sparrows had a wonderful moment at the end of last week when one of the children, inspired by last week's junk-modelling, created their very own robot at home using recycled materials. They proudly brought it into school to show Miss Corrigan and the class, who greeted the new "robot member" with spontaneous applause! It was a joyful celebration of creativity and encouragement within the classroom.

The robot now stands proudly alongside the original models, reminding everyone that learning continues far beyond the classroom door. Miss Corrigan shared how delighted she was to see a child carrying their learning into home life with such care and imagination. Moments like these truly capture our Love, Learn, Shine vision and brighten every day in Sparrows.

General News & Key Messages

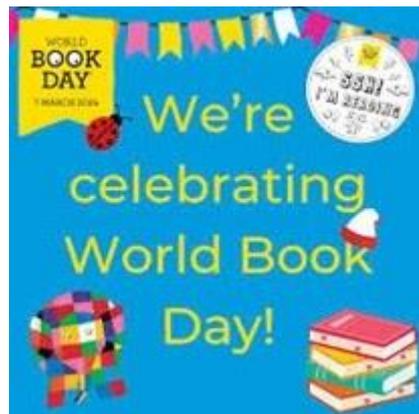

Warm Welcome

We are delighted to welcome Mrs Tunnicliff to St Peter's as a Higher-Level Teaching Assistant. She will be working mainly on Thursdays and Fridays across the school. Mrs Tunnicliff is a fully qualified teacher with experience teaching both in the UK and in British schools overseas, including in Dubai. We are thrilled to have her join our St Peter's family, and we know she will be a wonderful addition to our team. We are sure our families will join us in offering her a very warm welcome and helping her settle into life at St Peter's. We look forward to the children getting to know her over the coming weeks.

World Book Day 2026 – Save The Date

World Book Day will take place on Thursday 5 March 2026, and we are excited to invite all children to join the fun! Children can come to school in non-uniform, dressed as their favourite book character, or they may choose to wear pyjamas or a onesie, ready for a cosy day filled with stories. Throughout the day there will be a variety of fun activities, games and challenges, including our special Ten-Word Story Challenge, inspired by Joseph Coelho's Ten-Word Tiny Tales of Love. We are also hosting a Climate Education Team Book Swap: children bring a pre-loved book, receive a token, and swap it for another story to enjoy. It promises to be a wonderful celebration of reading!

World Book Day Costume Swap Shop

As part of our sustainability focus, we are holding our second World Book Day Costume Swap Shop at St Peter's after half term.

The children can bring a pre-loved World Book Day costume into school between Monday 23rd February to Wednesday 25th February.

Children have been asked to hand their costume to their class teacher.

For every costume donated, the child will receive a Golden Ticket (exactly like the Christmas jumper swap).

The children can then use their Golden Ticket to buy a new costume on Friday 27th February.

Please ensure all costumes donated are in a good, clean pre-loved condition.

The costume swap shop will take place on Friday 27th February at 12.20 to 12.45 in Eagles classroom and will be run by the Climate Crew.

Fancy Dress Costume Swap for World Book Day

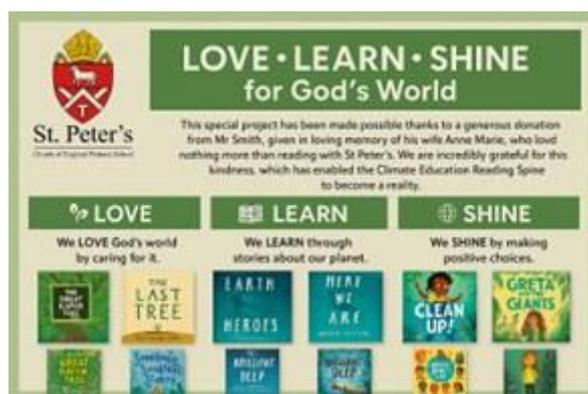

Climate Ed Reading Spine Thank You

Climate Reading Launch

We are excited to introduce our new Climate Education Reading Spine a collection of eco-themed books chosen to inspire discussion, spark curiosity and help our children become thoughtful, climate-conscious learners. This special collection has been generously funded by Mr Smith in loving memory of his wife Anne Marie, who enjoyed reading with the children at St Peter's. We are deeply grateful for this kindness, which has helped bring our Climate Education Reading Spine to life.

Each term, our child-led Climate Crew will deliver a carefully chosen book to every class in a distinctive green bag. Teachers will share these stories during the term, and the Climate Crew will return each term to exchange them. The first books will be delivered next Friday.

Early Years Stay and Play- Save the Date

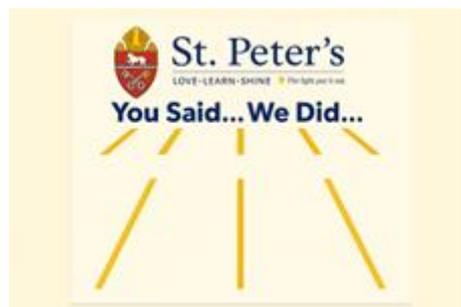

Our Early Years Wrens class warmly invites families to a special Stay and Play session on Monday 23 March 2026, from 1.30–3.00pm. Parents, grandparents and family members are all welcome to come and see learning in action. This is a lovely opportunity to spend time with your child in both the classroom and outdoor areas, experiencing the rich learning

environment they enjoy each day. You'll also be able to chat informally with our Early Years teachers and support staff, helping you stay connected with your child's progress. You are welcome to join us for the full session or simply pop in when you can. We look forward to seeing you there

You Said We Did

Thank you to everyone who shared their views in our recent survey about end-of-term reports and parent consultations. All responses have now been carefully reviewed by leaders and governors, and we have taken time to reflect on what we can do next. We have outlined the key points raised, along with the actions we plan to take, in a more detailed letter. Families can read this in the [Letters section](#) of the school website, and we encourage everyone to take a moment to look through it. Thank you again for your thoughtful feedback it genuinely helps us improve and continue to serve our children and families as well as we can.

Respectful Parking Reminder

Thank you to the many families who already park kindly and considerately around school each day. We know morning and afternoon routines can be busy, and we're grateful to everyone who helps keep our children and neighbours safe. For families who need to drive, parking permits remain available from the school office. These permits are designed for short-term use in nearby pay-and-display bays during drop-off and pick-up times.

A gentle reminder that permits do not allow parking on double yellow lines or in front of driveways or access points, including those used by local businesses and residents. Please continue to park legally, safely and respectfully so this supportive arrangement can benefit all families.
