*Love Learn Shine*

Friday 18 September 2026

Dear Parents/Carers,

We are delighted to welcome you back to the new school year and share some key reminders for the term ahead as we work together for the benefit of all progress enabling everyone to shine in Kingfishers class.

## **Learning for the Term**

An overview of our learning for the term will be shared via our class curriculum overview which can be accessed via our class page on the school website. Also please do keep an eye out each week on the [news section](#) of our website where we share regular updates about our learning including ideas of how learning can be further developed and reinforced.

## **Homework, Reading at Home and Reading Records**

Homework and home learning form an important part of the overall approach to supporting children's learning. Our homework arrangements for this term are for the children to consolidate their weekly phonics and learn their spellings. They will be given a page with their phonics learning from the week every Friday. It would be beneficial to read through the sounds, words and sentences on this page a few times during the week, to ensure your child is secure with them. This sheet usually also suggests some words or sentences for your child to practise writing. We would suggest encouraging your child to write a few words or a sentence from the sheet once or twice per week.

Weekly Spellings – 10 spellings will be given out each Friday and tested the following Friday. Please help your child learn their spellings by practising with them at least 3 times throughout the week.

Reading to an adult as frequently as possible is known to have a significant positive impact on children's progress. Even when children are fluent and confident readers, listening to them read all the way to the end of Year 6 will still have a positive impact. Please do make a note, or where your child is able, encourage them to note down their reading in their record.

## **Online Learning and Learning Apps**

Your child may have access to one or more online learning platforms such as Times tables Rockstars, IDL, Flash Academy, Reading Plus, Numbots and Spelling Shed as some examples.

Where children do have access to these, it is incredibly beneficial for them to access these regularly (3-4 times per week). If you need a reminder of their login details, please email [admin@stpeters.ycst.co.uk](mailto:admin@stpeters.ycst.co.uk).

## **Physical Education PE / Swimming**
