The 9 Protected Characteristics

"Protected characteristics are parts of who we are, things we can not or do not want to change, such as our age, disability, religion, race or family background.

British law says that nobody should be treated unfairly because of these characteristics.

This means everyone has the right to be treated with kindness, respect and fairness, and the law protects people if they are treated differently because of any of these characteristics"

Prayer & Reflection

Prayer is a special time when people from all over the world talk to God.

At St Peter's it is a quiet and peaceful time.

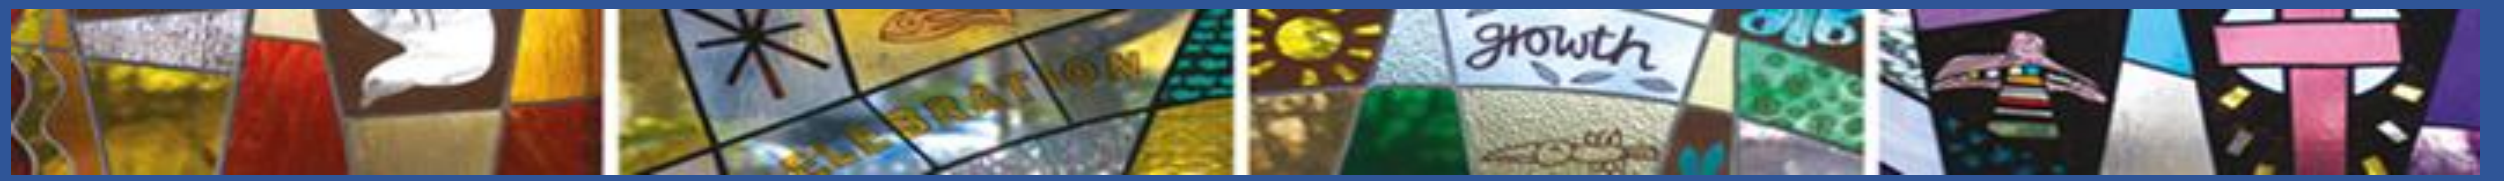

I am going to say a prayer now. If you would like to you can join me in saying Amen at the end.

No Outsiders Prayer.

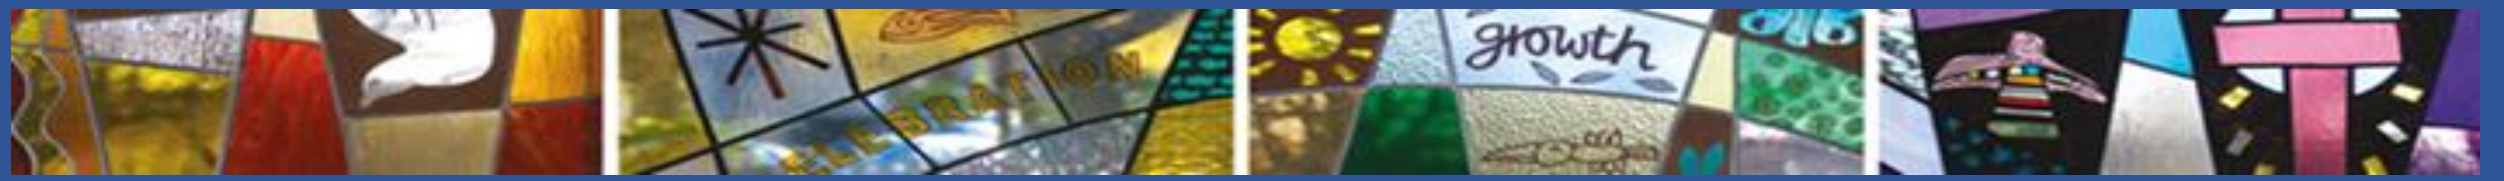

Thank you Lord that in your eyes we are all special. Help us to remember to love each other as you love us. Amen

‘Jesus loves and cares for everyone.
Peace and love be with you.’

‘And also with you.’

‘Go in peace to share and shine your light.’
